

Summary of the November 5th Regional Collaboratives Workshop

The Office of Healthcare Policy Initiatives (SHIP) organized and conducted Regional Collaboratives facilitated kick-off workshop on November 5th 2015, at the Grove Hotel in Boise. The purpose of the workshop was to establish a shared understanding about the Statewide Healthcare Innovation Plan (SHIP) Regional Health Collaborative Project and Purpose, and generate District specific roadmaps to make the Regional Collaboratives (RCs) a reality.

The workshop was conceptualized as having provided three discrete modules to the participants:

- Information sharing
- Information processing and discussion
- Creation of District specific operational plans

56 Attendees included:

- IHC Leadership (Dr. Epperly and DHW Deputy Director Denise Chuckovich)
- Regional Health Collaboratives Executive Leadership Members (physicians, chairs and co-chairs from each of seven PHDs)
- Public Health District Directors with staff
- Public Health District SHIP Managers with staff
- Office of Healthcare Policy Initiatives (SHIP) staff
- DHW Division of Public Health Administrator and staff
- DHW Division of Behavioral Health
- Representative from SHIP PCMH contractor
- CMMI Director Dr. Cha and two staff
- Representative from Federal Reserve Bank of San Francisco

The official report of the meeting will be provided by the facilitator Marsha Bracke.

Statewide Healthcare Innovation Plan (SHIP) is supported by Funding Opportunity Number CMS-1G1-14-001 from the U.S. Department of Health and Human Services, Center for Medicare & Medicaid Services.
